FAMILY-PROVIDER CONNECTION CORNER

Growing Together, One Conversation at a Time

ASK ABOUT MY DAY

"What made my child smile today?"

LEARNING AT HOME

"What activities can we continue together at home?"

CELEBRATING MILESTONES

"What is my child doing well this month?"

SUPPORTING MY CHILD

"Is there anything my child may need extra help with?"

WHY IT MATTERS

Children thrive when families and providers communicate regularly and work together as partners.

A strong connection with your child's provider helps your neni feel safe, supported, and ready to learn.

When families and providers work together, children flourish.
